

# ALBERT PARK LAKE 2010 RUN FOR STRENGTH

## HERE WE GO AGAIN !!!!

After raising over \$40,000 in aid of Muscular Dystrophy Research in the 2009 'Run For Strength' held earlier this year at Albert Park Lake, we have had an amazing amount of support which has encouraged us to hold our 2<sup>nd</sup> 'Run For Strength' Fun Run.

The event will be held on Sunday 21<sup>st</sup> February, 2010 at Albert Park Lake.

'Run For Strength' 2010 will again hold 3 events ; the 5km Walk, 5km Run and the 10km Run.

### **ENTRY FORMS & INDIVIDUAL SPONSORSHIPS**

Attached to this email is the 2010 entry form and individual sponsorship form.

In relation to entries, each participant must fill out an individual entry form and return with payment as stated on the entry forms. This year, we have made things easier with several payment options.

Please remember to return your entry forms ASAP via email or fax. Details on entry form. **BE QUICK AND DON'T MISS OUT.**

In regard to individual sponsorships, over \$11,000 was raised in the 2009 event by entrants getting their friends, families and colleagues to sponsor them.

Let's see if we can better this result in 2010.
